

CSIS 1410
Object Oriented Programming
Group Homework 1

Due: Aug. 31, 2016

Group Assignment:

Display images, write a program to display your art work.

Administration:

- Provide sufficient comments, include names in your group.
- Use dialog boxed/JFrame when appropriate.
- Turn in your via Canvas.

Be sure to name your file correctly and to keep a backup. Remember that late assignments will be penalized at a rate of 50% per week.

Students are expected to do their own work.

If programs turned in are so similar that it is obvious one has been copied from the other, students involved will receive a zero on the assignment in question.

Students are encouraged to discuss this assignment, however, students are expected to turn in their own work. If assignments turned in are so similar that it is obvious one has been copied from the other, students involved will receive a zero on the assignment in question.

**Students are expected to do their own work.
If programs turned in are so similar that it is obvious one has been copied from the other,
students involved will receive a zero on the assignment in question.**
